

2021-22 Class Overview

Kids on the Ridge Weekday Preschool is open to children from 2 ½ through 5 years of age. The program offers a wide variety of enrichment and learning opportunities with our teaching team focused on instilling God's love into the hearts of your child. Our dedicated and experienced teachers provide individualized programs to encourage your child's spiritual, intellectual, physical, social and emotional development. Daily schedules provide each child with a path to create, explore, problem-solve and socialize.

Little's Class

This is your child's first step in preparing for preschool. Designed for children who are 2 ½ by August 31st, we use play-based activities and hands-on learning that turn your little one's sense of curiosity into opportunities for learning and building confidence. We help them build routines, learn to share, how to be a friend and using their words to communicate their ideas. We focus on God's love for each one of us.

3's Class

Your child begins to learn through God's 7 Days of Creation (*preschool biblical learning*) as it is shared throughout their day – in circle time, science, self-care, music and movement and activities that introduce letters, numbers and colors. As they learn to follow structure and routine in a loving Christian environment, we work on social skills like initiating play, sharing, and making decisions with friends. We also introduce self-care skills such as cleaning up their space, keeping track of personal items and independently using the restroom. Your child is also introduced to skills that foster remembering and following multistep directions. This class is targeted toward children who are 3 years old by August 31st.

4's Class

In this love-filled learning environment, your child learns and practices the skills they need to be successful in kindergarten, including writing their name, recognizing letters/numbers and classroom etiquette. Circle time emphasizes class theme, 7 Days of Creation, sound of the week, sharing, handwriting, number concepts 1-20, letter sounds, pre-reading phonics, songs and art. This is a busy room and the children are given the freedom to choose learning materials, guided by the teacher to ensure that each student is progressing towards Kindergarten readiness. This class is targeted toward children who are 4 years old by August 31st.

Enrichment (*Extended Day*)

The Enrichment Program is for children in the 3's and 4's classes who desire extra time for music, movement, crafting, lunch (*bring from home*), and learning fun for continued social and academic development.

Jr. Kindergarten

Jr. Kindergarten is a year for children to receive additional development time to grow emotionally, physically and academically in a nurturing Christian school environment. Your child will work on reading skills (*letters, phonics, sight words*), writing ("Handwriting Without Tears"), math ("Singapore Early Bird Math Common Core Edition"), ten frame math (*counting, addition and subtraction*). The class will focus on God's 7 Days of Creation, Bible verse memorization, circle time, art, science, music and movement. Enjoying lunch together will foster independence and enhance their personal responsibility (*i.e. manners, cooperation, cleanup, and time management*).

Chapel

Once a month the children gather to attend Chapel, where they get to sing, pray and hear about a wonderful story from the Bible. Chapel is led by Church on the Ridge's Student Ministries Pastors.
